

Consent for the recording and use of photographic and audio-visual material

I, the undersigned, give permission to the Church, hereafter referred to as “the controller”, to capture photographs or audio-visual material of the person/s named hereunder in line with the *General Terms and Conditions for the Protection of Personal Data in Parishes* (accessible on www.church.mt) and any other Archdiocesan policy or applicable law.

I consent to the use of such material in printed publications, websites, news and media reporting, social media platforms, or other promotional material owned or commissioned by the controller for archival, educational, and related promotional purposes.

I understand that such material shall only be used for the abovementioned purposes of the controller; will be used and retained as outlined in the *General Terms and Conditions for the Protection of Personal Data in Parishes*.

I am also aware that the Church may distribute or sell any photographs or audio-visual material to other data subjects who appear in such media.

I am informed I also have the right to withdraw the consent provided. If I wish to exercise such right, or have any other queries, I may contact the parish priest or rector of the Church.

For more information on how my data is secured; on retention periods; as well as on my rights, I may visit Privacy Policy and *General Terms and Conditions for the Protection of Personal Data in Parishes* at www.church.mt.

This consent supersedes any previously withheld consent regarding capturing of photographs or audio-visual material of the person/s named hereunder.
